839th MEETING NOTICE – MONDAY, MAY 19, 2008

Many thanks to Ray Williams for his superb presentation on “US Colonial and Early American Coins.” It was interesting from both a numismatic and a historical point of view. For our 839th meeting Chris Butchko will speaking on the ANA Money Museum. Please attend.

Ye president has received some complaints concerning the length of the “show and tell” portion of the meeting. Remember we have to be out of the library by 10:00 and we have had a lot of show and tell. So here are some NEW RULES for show and tell:

1. Please limit your show and tell presentation to three minutes, or less. Yes, I'll be timing them.

3. If you need more time for your “stuff,” volunteer to give a presentation at one of the future meetings. These changes will be open for discussion during Monday's meeting.

Also on the agenda will be the latest on the 75th Anniversary Medals and Dinner. Keep the medal orders coming, we are still short.

Lastly, the GSNA Convention is this week, May 15-17, at the Ukrainian Center in Somerset, NJ. Attend, for it is always a good time for all.

845th MEETING NOTICE – MONDAY, DECEMBER 15, 2008
Madison Public Library, 7:30 p.m.

Many thanks go out to those who attended the 75th Anniversary Dinner. It was a great success. Kudos go to Arnold Miniman and the committee for the great meal and drinks; and kudos to Ray Williams for contacting Roger Siboni, who gave a tremendous presentation on "The Coins of Pre-Federal America." A good time was had by all.

Congratulations also go to the elected slate of officers for 2009. I'm sure that they will do a great job.

This month will be our annual book auction. So, bring your extra, or unwanted, books and catalogues and give your fellow members a chance to bid on the items.

For those of you who are new members, here is a short explanation of our auctions: items to be auctioned can include books, catalogs, journals, coin albums and other such items related to numismatics. We do not auction coins, medals, currency, etc. You can divide your material into lots of one or more items and you can assign a minimum bid. The club keeps one-half of the final sales price. If you plan on bidding, please remember to bring cash or a check to pay for your purchases. This could be a good chance to clear some space in your closets or bookcases. Pete LaConte will again serve as our auctioneer par excellence. The auction will be followed by our usual show-and-tell.

Topics for the evening:

1. Military Medals, Tokens and Memorabilia. ("A Day That Will Live in Infamy").
2. Coins of the East. (The Three Wise Men).
3. Roman Imperial Coins. ("A census was called by Caesar Augustus").
4. New Acquisitions, or anything else that you would like to bring.

I hope to see all of you on Monday night.

New Jersey Numismatic Society Celebrates 75th Anniversary

2008 marks the 75th Anniversary of the New Jersey Numismatic Society. The Society was founded by Charles F. Nettleship in 1933. The first meeting of the NJNS was held in Elizabeth, New Jersey.

The NJNS is dedicated to the advancement of numismatics through the study of the history, manufacture and art of coins, paper money and exnumia. Throughout the years, the NJNS has been privileged to have had many notable numismatists such as: F.C.C. Boyd, Henry Christensen, Willard Blaisdell, Henry C. Hines, Dr. Stanley Sherr, Herbert Oechsner, Ernest Kuesch, Herbert Silberman, Robert Schonwalter, Harold Flartey, Christopher Connell, ~~Thomas~~ Moore, George Wait and many more, as members. NJNS members have been active in other organizations, with many serving as Fellows of the American Numismatic Society and Board Members of the American Numismatic Association.

The NJNS meets monthly in Madison, NJ, and continues the legacy of its founder and past members. Monthly meetings include a numismatic presentation and a "show and tell" session, during which members can discuss items from their personal collections.

To celebrate the 75th Anniversary, the NJNS commissioned Medallic Art Company to strike a commemorative medal. Examples of the medal can be purchased from the Society by contacting Harry Rescigno at rescigs@optonline.net. A 75th Anniversary Dinner has also been planned.
